

If you are looking for a career in the Green industry the training below may be of interest to you.

1. Organization providing the training:

Power52 Foundation

2. Physical location training occurs:

The training is hybrid. The classroom instruction is virtual.

Hands-on labs are located at:

8775 Cloudleap Ct., Suite 11

Columbia, MD 21045

3. Description of the training offered:

Power52's Energy Professional Training Program is a 16-week hybrid program that combines live virtual instruction with hands-on learning. Classes take place Monday through Friday from 9:00 AM to 1:00 PM. Participants have the opportunity to earn nationally recognized certifications and gain the essential skills needed to launch a career in the renewable energy industry. In addition to technical training, the program also includes career readiness, financial literacy, homeownership preparation, entrepreneurial development, and ongoing mentorship from Power52 staff. All required personal protective equipment (PPE) is provided to support trainees in successfully completing the program.

4. Trainees have the opportunity to earn the following industry-recognized certifications:

Trainees in this program have the opportunity to earn the following industry-recognized certifications:

- Power52 Energy Institute's Certificate of Completion
- First Aid CPR AED Certification
- OSHA-30
- North American Board of Certified Energy Practitioners (NABCEP) PV Associate Certification
- National Center for Construction Education and Research (NCCER) Certification

5. Am I eligible?

To be eligible for this training program, applicants must meet the following requirements:

- Be between the ages of 18–50 years old
- Have a High School Diploma or GED
- Be able to lift 50 pounds
- Demonstrate a commitment to trust the process and pursue a new career

6. What is the application process?

All applicants are required to complete a one-on-one interview with a Power52 staff member, take the TABE Assessment, and submit a completed enrollment application packet. Candidates who meet all eligibility criteria and demonstrate a clear understanding of the time commitment involved, along with a strong dedication to building a new career, will be considered for acceptance into the program.

To begin the application process, visit power52.org/training or contact Marlon Bonner Jr. at info@power52.org or (410) 777 9677.

7. How much can I expect to earn if I complete this program and obtain employment?

Trainees who successfully complete the program and enter the workforce can expect to earn an average starting wage of approximately \$18.50 per hour. Compensation may vary based on additional skills, prior experience, and the specific employer.

8. How much do I have to pay for this program?

The training is at NO cost to trainees.

9. Where can I find more information about this program?

For more information about the program, or to begin the application process today, please visit <https://power52.org/training>.
