

# Roofing Academy

## COMMERCIAL

## IN-HOME SALES

## RESIDENTIAL

The GAF Roofing Academy in partnership with North American Trade Schools will provide free comprehensive trainings in the following competitive areas: Commercial and Residential Installation and In-Home Sales. Graduates of the program will interview with local contractors during the concluding job fair for immediate hire into the roofing industry; as well as have the opportunity to earn their OSHA10 certification for free, outside of training hours, per student request. Light breakfast and lunch are provided each day.

**Please only register for one training (either commercial, in-home sales, or residential).**
