**SETTLEMENT AGREEMENT AND CONSENT ORDER**

This Settlement Agreement and Consent Order (the “Agreement”) is entered into this 14<sup>th</sup> day of March, 2024, by and between the Maryland Office of Financial Regulation (the “OFR” or the “Agency”), and Four Technologies, Inc. (the “Respondent”). The OFR and Respondent (together, the “Parties”) consent to the entry of the Agreement as a final resolution of the matters discussed below. The terms of the Agreement are contractual and not mere recitals.

1. Pursuant to the Maryland Consumer Loan Law, Md. Code Ann., Fin. Inst. (“FI”) § 11-201 *et seq.*, the Commissioner is responsible for licensing and regulating, *inter alia*, consumer lenders that make a consumer loan in the State of Maryland (the “State”). 2. At all times relevant hereto, Respondent has neither been exempt from licensing nor duly licensed to make loans under the Consumer Loan Law. Respondents became aware in June 2021 of the possible need for licensure and submitted an application for a Maryland Consumer Loan License (the “Application”) on or about June 29, 2022.

4. As part of the Application process, the Agency determined that Respondent engaged in whole or in part in the business of making consumer loans under the Maryland

Consumer Loan Law without being duly licensed (the “Violation”).

5. Respondent enters into this Agreement solely for the purpose of resolving disputes with OFR concerning the conduct described herein related to the Violation, and denies any and all wrongdoing related to the Violation set forth above, as well as any other perceived violation of law, and wishes to resolve this matter in the most expedient and cost effective manner possible. Therefore, Respondent agrees to abide by each and every term set forth in the Agreement.

6. The Parties desire that Respondent comply with all applicable statutes, regulations, and other laws governing making loans under the Maryland Consumer Loan Law, and further wishes to resolve this matter in a manner that would avoid the costs to the taxpayers of an administrative enforcement hearing and any potential appeals.

7. Respondent has agreed to take each of the following corrective actions in exchange for a final resolution of this matter:

a. Within 60 days of its execution of this Agreement, Respondent shall issue refunds to the Maryland consumers listed in Addendum A attached hereto (“Maryland Consumers”), in an amount equivalent to one (1) periodic installment payment per transaction as well as for any and all late payment fees paid by these consumers.

b. All Maryland Consumers who are current customers of Respondent and maintain an active account or accounts with Respondent may receive their refund by means of a credit to their account(s). All other Maryland Consumers may be issued refunds by way of check or electronic payment.

c. Once these Maryland Consumers are provided their refunds, and within a reasonable time after any checks issued may be expected to clear, but no more than 60 days after its execution of the Agreement, Respondent shall provide the OFR with proof of payment of said refunds. Any refund payment made by check pursuant to this Agreement shall be made payable to the Maryland Consumer(s) at their last known address based on the Respondent's records. Within one year from the date of the execution of the Agreement by the OFR, any funds due to Maryland Consumers, but whose refund checks have not been cashed, shall be remitted to the State Comptroller as "abandoned property" pursuant to Md. Code Ann., Com Law., Title 17, and shall be administered for the benefit of the Maryland consumer(s) accordingly;

d. Immediately upon its execution of the Agreement, pursuant to FI § 2115, Respondent will pay a civil monetary penalty of Forty-Five Thousand Dollars and Zero Cents (\$45,000.00), to be billed and paid through the NMLS; and

e. Respondent agrees to cooperate fully with all future requests for documentation, information, and records requested by the Agency to determine compliance with the terms of the Agreement.

8. Respondent acknowledges that it has voluntarily entered into this Agreement with full knowledge of its right to a hearing pursuant to FI § 11-217 and pursuant to the Maryland Administrative Procedures Act – Contested Cases, Md. Code Ann., State Gov't. § 10-223 *et seq.*, and that Respondent hereby waives its right to a hearing. Respondent further

acknowledges that it consulted with independent legal counsel in connection with its waiver of rights and with the negotiation and execution of this Agreement.

9. OFR, in effectuating this Agreement, intends to fully resolve and release all known claims related to any and all violations of law, rule, and/or regulation, misconduct, and/or operational deficiencies, for which the Respondent has allegedly engaged in prior to this Agreement (the "Released Claims"). By releasing the Released Claims, OFR, also releases the Released Claims as they may apply to Respondent's present and future owners, principals, directors, officers, members, partners, managers, agents, successors, and assigns. Further, OFR has determined that Respondent is otherwise qualified to maintain a Maryland Consumer Loan License and will approve the Application the same time this Agreement is executed.

10. Once licensed, Respondent represents that it will be in compliance with all applicable statutes, regulations, and laws governing Maryland consumer loans, and that it will continue to act in compliance at all future times.

11. The Parties agree that the Agreement shall be binding upon the Parties and enforceable by the OFR in a court of competent jurisdiction. The Agreement shall be admissible in court and shall be binding upon any of the Respondent's present and future owners, principals, directors, officers, members, partners, managers, agents, successors, and assigns. This provision is not intended and should not be interpreted to extend any personal liability or be deemed a finding of fact or violation of law as it relates to Respondent's present and future owners, principals, directors, officers, members, partners, managers, agents, successors, and assigns.

12. The Parties acknowledge that the Agreement does not in any way relate to, impact, or otherwise affect the legal rights of, or preclude the OFR from bringing or continuing to pursue actions against persons not Parties to the Agreement. Further, the Agreement is by and between the OFR and the Respondent and shall not inure to the benefit of any person not a party.

13. The Parties agree that any notices hereunder shall be effectively “delivered” when sent via overnight delivery or certified mail as follows:

**ORDERED** that Respondent shall conduct its business in full compliance with all statutes, regulations, and other laws governing consumer lending within the State, and shall continue to act in full compliance at all future times, including no longer engaging in whole or in part in the business and/or services for others without being duly licensed as a
